

Fall 2022 Advisory Board Meeting Agenda

12/21/2022

6:00pm

Location: Electrical lab/Zoom Room 302 TIC Building

- Greeting
- Update from contractors on last year's students who are apprentices
- Give update on adult evening class
- Give update on what each of my class levels are doing
- Give update on my involvement on EDI (Equity, Diversity and Inclusion) and get their input on a more diverse work force.
- Ask for their input on changes in the trade, code updates/changes, and what the inspectors are seeing out there and what their looking for
- Find out if there is anything specific the contractors would like to see me covering
- Ask for spare parts, primarily lighting.
