

Electrical Technology Advisory Board Fall Meeting Agenda

Wednesday October 23, 2024

5:00 pm

WRCC TIC building Room 302a

- Welcome comments and introductions as needed
- Get updates from contractors who have program graduates as apprentices
- Over view of what the level 1 and 2 classes are currently working on
- Tour the new structure in the lab
- Over view of upcoming projects at each level
- Discuss plans for a motor component to the lab and what I will entail
- Discussion of what may be new in the field that the board might want to see brought up in my program
- Discussion of any needs the program may have that that the board could help with
- Reminder to the contractors about the monthly evening class here
