

## **Electrical Technology Advisory Board Spring Meeting Agenda**

Tuesday March 25, 2025

5:00 pm

WRCC TIC building Room 302a

- Welcome comments and introductions as needed
- Get updates from contractors who have program graduates as apprentices
- Overview of what the level 1 and 2 classes are currently working on
- Tour the new structure in the lab
- Overview of upcoming projects at each level
- Discuss concerns regarding the economy and tariffs
- Discussion of what may be new in the field that the board might want to see brought up in my program
- Discussion of any needs the program may have that the board could help with
- Reminder to the contractors about the monthly evening class here
