Electrical Technology Advisory Board Fall Meeting Agenda

Tuesday November 10, 2026

5:00 pm

WRCC TIC building Room 302a

- Welcome comments and introductions as needed
- Get updates from contractors who have program graduates as apprentices
- Over view of what the level 1 and 2 classes are currently working on
- Over view of upcoming projects at each level
- Discuss plans for a motor component to the lab and what I will entail
- Discussion of what may be new in the field that the board might want to see brought up in my program
- Discussion of any needs the program may have that that the board could help with
